Duplicate DVD Photographer's Edit.	DVD of high resolution files of the entire photographer's edit as color and density correct jpeg files with a personal printing release.	\$100.00
Custom Worked High Resolution Files.	These are high resolution files that I have worked on in order to get the very best from when they are printed. Appropriate color correction and density correction, dodging and burning, and nominal retouching have been done to them to bring out my vision of the scene. They are essentially custom corrected and custom worked files. Per file, with a personal printing release and delivered on DVD or CD.	\$175.00
Retainer	A retainer is required to book, and reserve my exclusive services for any given date. This retainer is non refundable, and due the day a contract is signed in order to place the contract in effect. No dates are held with out a retainer. In the event your event be postponed and rescheduled, the retainer for services may be transferred to another date with in 365 days should I have that date be available for service. Retainers are payable in the form of a check. The retainer will be deducted from your final package total.	\$850.00
